Implementation

Controls Being monitored for controls events:

Events

<< Page_Load >>	▲
Page_PreRender	

A screenshot of a software development environment's event selection window. The window has a title bar and a list of events. The first event is '<< Page_Load >>' and the second is 'Page_PreRender'. The 'Page_PreRender' event is highlighted with a grey background. A vertical scrollbar is visible on the right side of the list.
